

Erasmus and 2024 Dublin

By Ricardo

Activities which I did during my free time

- ▶ I went very often in the city centre of Dublin
- ▶ I played basketball around the area from my hostfamily
- ▶ We went hiking at howth
- ▶ We played a card game with our hostfather
- ▶ The most interesting activity for me was the trip to Brayhead
—> The view was outstanding

Hostfamily

- ▶ The hostfamily was very nice
- ▶ We had good conversations about various topics
- ▶ One night we played cards with him
- ▶ All in all we didn't spend much time with the hostfamily
- ▶ For this reason, I think I won't visit the hostfamily again since I barely know them
- ▶ In the house lived a Ukraine boy
- ▶ He was very nice
- ▶ He also does a lot of sports like I do
- ▶ That's why we talked a lot
- ▶ We still keep in touch
- ▶ I definitely think that we will see each other again

College

- ▶ The ADC team was very nice especially the teacher James
- ▶ We learned something about Irish culture
- ▶ We did various exercises in class about business English
- ▶ They also helped quickly with problems

Work Placement

- ▶ I worked in the manual craft of the company
- ▶ Here I did task like sanding different boards
- ▶ I lasered many different boards
- ▶ I was also assigned to the office of the company
- ▶ I learned there how to create a homepage
- ▶ The people who work in Ireland are much more relaxed at work

Intercultural Competence

- ▶ People in Ireland thank each other very often, even after the bus ride
- ▶ New for me was also that you had to stretch your hand forward when you want to get in the bus
- ▶ Another characteristic that set us apart from the Irish is that it is much more cleaner at home than it is in Ireland

Advice

- ▶ When you're a part of the project you should explore as much as you can
- ▶ You should also engage in many conversations with the Irish because they are really nice people
- ▶ The various pubs, especially the Temple Bar, are worth a visit
